Web Development Bootcamp		Data Science Fundamentals
Data Science Fundamentals		Business Courses
John Doe Web Development Bootcamp		

The image shows a landing page for a 'Web Development Bootcamp'. The background is a solid light blue. At the top right, the title 'Web Development Bootcamp' is written in a large, bold, black sans-serif font. Below it, the name 'John Doe' is centered in a smaller, regular black font. Further down, a 'Enroll Now' button is centered, featuring a white background, a thin black border, and the text 'Enroll Now' in a bold black font. Below the button, the heading 'Course Syllabus' is displayed in a bold black font. Underneath this heading, there is a vertical list of six modules, each preceded by a right-pointing arrow icon. The modules are: 'Module 1: HTML & CSS', 'Module 2: Planning', 'Module 3: Seminars', 'Module 4: Ten and Load Balancing', 'Module 5: Simulation', and 'Module 6: Construction'. The text for the modules is in a regular black font.

The image shows a user profile page for 'John Doe'. The page layout includes a left sidebar with navigation links: 'Settings', 'Profile', and 'Web Development - 80% Complete'. The main content area features a 'Course Completion' header and an 'Enrolled Courses' section. This section lists three courses: 'Introduction to JavaScript' (80% complete), 'Advanced JavaScript' (60% complete), and 'React Fundamentals' (40% complete). Each course entry includes a progress bar and a 'View Details' link.

Course Name	Progress	Action
Introduction to JavaScript	80%	View Details
Advanced JavaScript	60%	View Details
React Fundamentals	40%	View Details

The screenshot displays the 'Managed Courses' section of the Canvas LMS. On the left, there is a sidebar with 'My Courses' and 'Settings'. The main content area is titled 'Managed Courses' and features an 'Add New Course' button. Below the title, there is a table listing courses. The first course is 'Data Science Fundamentals' with a progress of 80%. The second course is 'Python for Data Science' with a progress of 20%. The third course is 'Machine Learning Fundamentals' with a progress of 10%. The fourth course is 'Deep Learning Fundamentals' with a progress of 5%. Each course entry has an 'Add New Course' button next to it.

Name	Progress	Actions
Data Science Fundamentals	80%	Add New Course
Python for Data Science	20%	Add New Course
Machine Learning Fundamentals	10%	Add New Course
Deep Learning Fundamentals	5%	Add New Course

ONLINE LEARNING PLATFORM UI/UX

Home & Login Pages

Home page features a top navigation bar with logo, links, and login button. Hero section with call-to-action. Login page includes email and password fields, submit button, and register link.

Register & Courses

Registration form with name, email, password fields and role selector. Courses page shows a grid of course cards with cover images, search bar, and category filter dropdowns.

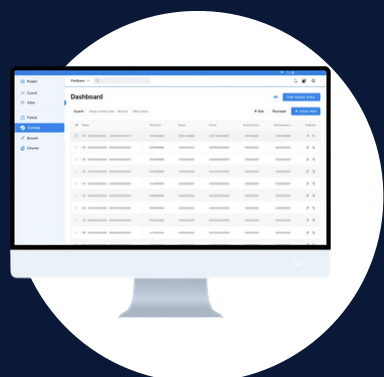

Course Details Page

Detailed course view with cover image, title, instructor info, description, curriculum list, enroll button, and student reviews section with star ratings.

Student Dashboard

Sidebar navigation with profile avatar, enrolled courses list, progress bars, upcoming deadlines, and achievement badges. Clean blue and white layout.

Instructor & Admin

Instructor dashboard shows course management table with edit and delete actions. Admin panel includes user management tables, role assignment, and platform analytics charts.

Profile & Edit Course

User profile page with avatar, bio, enrolled courses, and settings form. Add/Edit course page includes form fields for title, description, category, thumbnail upload, and curriculum builder.

www.onlinelearningplatform.com

EDUCO

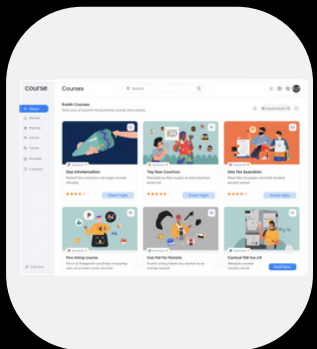

Home Page & Login / Register

Responsive home page with top navigation bar, hero banner, featured course cards, and footer. Login and Register pages include clean forms with input fields, validation, and call-to-action buttons.

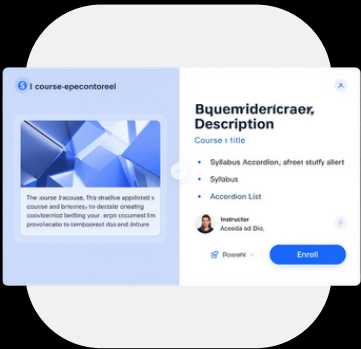

Courses Page

Browse all available courses with a search bar, category filter chips, and sorting controls. Course cards display cover image, title, instructor name, rating stars, and enroll button in a responsive grid layout.

Course Details Page

Full course overview with cover image, description, syllabus accordion, instructor bio, student reviews, and an enroll or continue learning button. Clean two-column desktop layout with sticky sidebar.

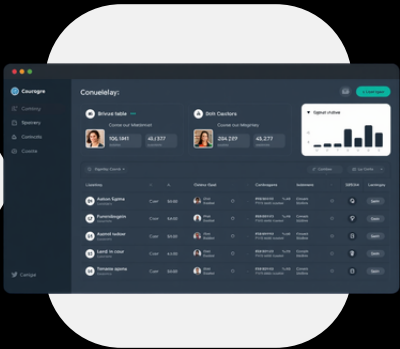

Student Dashboard

Personalized student portal with collapsible left sidebar, enrolled courses list, circular progress indicators, upcoming deadlines, and achievement badges. Blue and white modern UI with card components.

Instructor & Admin Dashboards

Instructor dashboard features course management table with edit and delete actions, student enrollment stats, and revenue charts. Admin dashboard includes full user management data table, role controls, and platform analytics.

Add / Edit Course & User Profile

Multi-step course creation form with fields for title, description, category, price, thumbnail upload, and curriculum builder. User profile page displays avatar, bio, enrolled or created courses, and editable account settings form.
